[X] **BY MAIL - As follows:** I am "readily familiar" with the firm's practice of collection and processing correspondence for mailing. Under that practice it would be deposited with the U.S. Postal Service on that same day with postage thereon fully prepaid at San Diego, California in the ordinary course of business. The envelope was sealed and placed for collection and mailing on this date following our ordinary practices. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing in affidavit.

I declare under penalty of perjury under the laws of the State of California that the above is true and correct. Executed April 4, 2008, at San Diego, California.
